MANAGEMENT & LEADERSHIP

CMI LEVEL 5 AWARD

IN MANAGEMENT AND LEADERSHIP

An introductory qualification for aspiring managers who want to build essential management knowledge, develop leadership skills and gain confidence to lead themselves, individuals and teams effectively.

IDEAL FOR ASPIRING MANAGERS

Individuals taking their first steps into management or looking to strengthen their skills, confidence and potential as future leaders.

WHAT YOU'LL LEARN

Gain the foundational knowledge and practical skills to communicate effectively, manage yourself and others, and contribute to the achievement of team and organisational goals.

KEY AREAS OF STUDY

Managing self
Develop self-awareness, time management and personal effectiveness.

Communicating effectively
Build communication skills and adapt your approach to your audience.

Working in teams
Understand team dynamics and how to build positive working relationships.

Managing others
Learn how to lead, motivate and support individuals effectively.

Problem-solving and decision-making
Apply structured thinking to solve problems and make informed decisiones.

Managing resources
Understand how to use resources responsibly to achieve team objectives.
