MANAGEMENT & LEADERSHIP

CMI LEVEL 5 DIPLOMA IN MANAGEMENT AND LEADERSHIP

A practical and career-focused qualification for practising and aspiring middle managers who want to develop the knowledge, skills and confidence to lead individuals and teams effectively and deliver organisational success.

IDEAL FOR PRACTISING & ASPIRING MANAGERS

Middle managers and team leaders who want to build practical leadership capability, improve team performance and contribute to organisational objectives.

WHAT YOU'LL LEARN

Develop the essential management and leadership skills to effectively lead people and teams, solve problems, manage projects and resources, and contribute to the achievement of organisational goals.

KEY AREAS OF STUDY

Leading and managing teams
Build effective working relationships, communicate with impact and motivate people to achieve.

Operational and project management
Plan, manage and evaluate projects and resources to deliver results.

Decision-making and problem-solving
Apply critical thinking to make informed decisions and solve complex problems.

Planning and managing performance
Set objectives, monitor performance and support continuous improvement.

Managing resources and budgets
Understand financial principles and manage budgets and resources effectively.

People, culture and equality
Promote inclusive practice, manage change and support positive organisational culture.
