PROFESSIONAL MANAGEMENT AND LEADERSHIP PRACTICE

CMI LEVEL 6 AWARD

IN PROFESSIONAL MANAGEMENT AND LEADERSHIP PRACTICE

A focused qualification for managers who want to strengthen their leadership knowledge, improve operational performance and contribute to the strategic goals of their organisation.

IDEAL FOR ASPIRING AND CURRENT MANAGERS

Team leaders and supervisors who want to build their management skills, improve team performance and make a greater impact in their organisation.

WHAT YOU'LL LEARN

Build essential management and leadership knowledge to support effective team performance, operational improvement and responsible decision-making that contributes to organisational success.

KEY AREAS OF STUDY

Leadership foundations
Understand key leadership principles and how to lead and motivate teams effectively.

Operational improvement
Explore how to improve processes, manage resources and deliver efficient operational performance.

Decision making
Develop confident decision-making skills using data, information and analytical thinking.

Communication and relationship building
Strengthen communication skills and build positive relationships with teams and stakeholders.

Risk and ethical management
Identify risks, apply ethical principles and promote responsible practices in the workplace.

Professional development and reflective practice
Reflect on your practice and identify opportunities to develop and grow as a manager.
