PROFESSIONAL MANAGEMENT AND LEADERSHIP PRACTICE

CMI LEVEL 6 DIPLOMA

IN PROFESSIONAL MANAGEMENT AND LEADERSHIP PRACTICE

An advanced qualification designed for managers who want to lead with impact, drive organisational performance and develop strategic leadership capabilities to deliver sustainable success in a dynamic and complex business environment.

IDEAL FOR ASPIRING AND CURRENT MANAGERS

Practising and aspiring middle managers who want to enhance their leadership capabilities, influence organisational strategy and achieve operational excellence.

WHAT YOU'LL LEARN

Develop the strategic management and leadership skills to drive performance, manage change and lead people and teams with confidence to achieve organisational goals and create long-term value.

KEY AREAS OF STUDY

Strategic management and leadership
Develop and implement strategy that drives organisational success and competitive advantage.

Leading and managing people and teams
Inspire, engage and develop people to build high-performing, collaborative teams.

Operational and project management
Plan, manage and evaluate projects and operations to improve performance and deliver results.

Change and innovation management
Lead change and foster innovation to adapt, grow and deliver sustainable improvement.

Risk and decision management
Identify and manage risk, make informed decisions and apply ethical leadership in practice.

Professional development and reflective practice
Enhance your leadership capability through continuous learning, reflection and professional growth.
